A CERF EYE CLINIC was held on site with Dr. Martin Buissieres.....  
on Saturday, September 19th, from 9am to 4pm.

#### **Description of the Show**

**Facilities:** One of the largest indoor spaces in Canada (4 full-size soccer fields). There was ample ringside space for grooming and crating indoors with air conditioning....plus space for grooming and crating in our own BCOC hospitality section. "Dog

sitting duties" were shared so one could go eat or take a bathroom break without worry. The show gave us a large ring for our Specialty so the dogs had ample space to move around. Extra tables were provided for trophies, potluck lunch, etc., with restaurant/pub on site, upstairs. Tim Hortons and McDonalds next door, both were open 24/7. RV's could park around the arena and had full water and electrical hook-ups.
